Créez l'émotion,
osez par le design,
illuminez votre marque.

Trends & Co met son savoir-faire en action pour fournir des solutions clés en main, innovantes et compétitives, dédiées aux marques et aux professionnels de l'événementiel pour l'exécution des projets les plus inventifs.

Le design de la gamme italienne Slide® est au centre de nos solutions d'agencement des événements, procurant aux marques un avantage différentiateur pour activer et partager leur rayonnement avec leurs publics.

Mobiliers lumineux et colorés, au design épuré et parfois ironique, les produits Slide® sont réalisés en polyéthylène par roto-moulage et caractérisés par une utilisation exceptionnelle de la lumière. Ils sont idéals pour des agencements extérieurs, intérieurs et pour l'événementiel. Ce sont le résultat de collaborations avec des designers de renommée internationale comme Karim Rashid, Marcel Wanders, Paola Navone, Marc Sadler, Alessandro Mendini, Stefano Giovannoni et Denis Santachiara, répondant à la volonté de créer un produit de qualité.

Fascinez par la lumière et la couleur, créez l'émotion !
